You too can contribute to ad-free community-based geospatial news by providing financial support to the Slashgeo.org project. Please send the money to the alexandre@leroux.net paypal account. Other means of contributing are available, [contact us](#) for information. Anonymous contributions are also welcomed.

Financial State

Spatial Enlightenment - Open Budget

Expenses

Establishment & start-up fees: 895\$
 Recurring fees: web hosting and support (60\$/month), domain names (30\$/year), non-profit licence (~50\$/year)
 Current Spatial Enlightenment Financial Balance: **-\$2 058,05** (May 14th 2008)

Vision and Philosophy

We created Slashgeo.org as an open space for the geospatial community. This open budget is a way to demonstrate transparency. We welcome any financial contribution, but money is far from being the important part: our small team spent hundreds of hours devoted to the project. Sincere thanks to the [Slashgeo](http://Slashgeo.org) users who participate by submitting stories and sharing comments, making Slashgeo.org a worthwhile website.
